## Volunteer Application and Inquiry Release

In connection with my application to volunteer in any capacity in the district, I understand that investigative background inquiries may be made on myself including criminal convictions reports. I understand that you will be requesting information from the Michigan State Police concerning my past activities relating to my criminal, civil, and other experiences. **This process must be completed every year no matter how many years of service I have as a volunteer.** All background information will be kept stored in a secure area.

Child Protection Laws require that the District investigate the background of everyone who may come into contact with students. I authorize without reservation, any party or agency contacted by this employer to furnish the above-mentioned information and I am providing the following information to facilitate these investigations.

You may volunteer at more than school, but it is only necessary to fill out one form. Check the schools at which you wish to volunteer. Turn this form in at any of our district offices.

You must have a background check if you want to spend time with the students. Examples are: help in the classroom, chaperone a field trip, or help with the Booster Clubs or sports teams. Volunteers agree not to take photos or videos of students other than their own due to student confidentiality laws.

*Application must be turned in at least two weeks before the first time you want to volunteer.  
You may not be eligible to participate if there is not sufficient time to process the request.  
Thanks for your help!!*
